NUTLEY SUN - THURSDAY, MAY 22, 2008

PHOTO COURTESY OF THE PHOENIX CENTER

REAL STAGECRAFT

The old proverb, "laughter is the best medicine," proved true for students from the Phoenix Center and pediatric patients at St. Joseph's Hospital recently. Students from the Phoenix Center, of Nutley, dressed in colorful costumes, performed the "Hoika Polka," a lighthearted theatrical production for the children at St. Joseph's Hospital in Paterson. The production was a program of the Giggles Children's Theater of Medical Missions for Children.
